Acer AHW154 Conference Headset Black (GP.HDS11.02D)

Seamless Sound, Effortless Engagement

Crafted with a focus on delivering superior audio performance and ensuring comfort, the Acer Office Headset's finely tuned microphone and speakers capture and relay high-definition sound, enhancing communication clarity. Additionally, its ergonomic lightweight construction facilitates prolonged usage, enabling effortless work or study session.

Lightweight Design

Weighing approximately 160 grams, the lightweight design of the Acer Office Headset ensures comfort during busy workdays and school sessions.

Powerful Microphone

The microphone accurately captures the nuances of your voice, delivering clear audio in online meetings and ensuring a polished delivery during important presentations. With a frequency range of 50 Hz to 10 KHz and a sensitivity of -38 ± 2 dB, it enhances your presence while the 70 dB signal-to-noise ratio ensure crisp and clear audio.

Crisp Audio Quality

The speaker offers a broad frequency range of 20 Hz to 20 KHz and minimal audio distortion ($\leq 5\%$ @ 1 kHz) to ensure clear and precise sound reproduction. Additionally, boasting an impressive speaker sensitivity of 122 ± 3 dB, this headset can comfortably accommodate high volume levels during streaming or gaming sessions, after work or study.
