9	Use location 🗸		
	Allow apps and services with location permission to use your device's location. Google may collect location data periodically and use this data in an anonymous way to		
	improve location accuracy and location-based services.		
0	Allow scanning 🗸		
	Allow apps and services to scan for Wi-Fi networks and nearby devices at any time, even when Wi-Fi or Bluetooth is off.		
Devic	e maintenance		
0	Send usage and diagnostic data 🗸		
	Help improve your Android device experience by automatically sending diagnostic, device and app usage data to Google. This will help battery life, system and app stability, and toelp Google apps and partners, such data will also help Google apps and partners, such as Android developers. If your additional Web & App Activity setting is turned on, this data may be saved to your Google Account.		
ŧ	Install updates and apps 🗸		
	By continuing, you agree that this device may also automatically download and install updates and apps from Google, your operator and your device's manufacturer, possibly using mobile data. Data rates may apply. Some of these apps may offer in-app purchases.		
	By tapping "Accept", you agree to the Google Terms of Service . You also confirm your selection of these Google services settings. Note: The Google Privacy Policy describes how data is handled when using Google services.
