AIR FRYER UFESA PHOENIX 6L

Unrivaled power and capacity: Thanks to its powerful 1800 W motor, it delivers fast heating and precise cooking results every time. Whether you're cooking for yourself, your family or a party, its generous 6-liter capacity ensures you have plenty of space to prepare delicious meals for everyone.

Perfectly crispy and succulent results with the steam function: forget about dry and tasteless food. This air fryer's steaming function ensures that your food is perfectly crispy on the outside and deliciously juicy on the inside. Whether you're frying, grilling or baking, you'll achieve results worthy of a professional chef with ease.

Uniform cooking thanks to the dual heating element: Thanks to the dual heating element, this oil-free steamer ensures even heat distribution for even cooking every time. Forget about unevenly cooked food and enjoy golden brown chicken, crispy vegetables and juicy seafood in every bite.
