Espresso coffee maker UFESA Bergamo

The Bergamo espresso machine is equipped with a 20 bar pump and a cup warmer so you can brew quality coffee every morning and enjoy the best possible taste. Thanks to the adjustable frother, you can froth milk for a delicious cappuccino or prepare your favorite infusions.

It has a Thermoblock rapid heating system that makes coffee brew faster, reaching the perfect temperature in just a few seconds. It is very easy to use, as its design features a touch-sensitive temperature control panel in addition to a high-quality coating with a pressure gauge.
