

Product Guide

HP Color LaserJet Pro MFP 4303 series

Colorful productivity. Seamless management.

Key Selling Points

Maximum productivity in full color

Groundbreaking multi-function performance

Seamless management

Robust tools to set up and manage your printers²

HP Wolf Pro Security

Advance your security with HP Wolf Pro

Performance

Maximum color performance for the small workteam

Sustainability

Redesigned HP TerraJet Cartridge for reduced plastic use and energy consumption when printing^{4,5}

Maximum productivity in full color

Compact design with groundbreaking performance, true-to-life colors, and sharp details. High-speed, double-sided color printing and scanning at up to 35 ppm, and self-healing Wi-Fi[®].^{3,8}

Speed and shortcuts to keep your teams moving

Step up your workflow with blazing fast speed to meet high-demand environments.

Look professional on every page with high-quality printing, true-to-life colors, and sharp details.

Support your business workteam with this compact, high-performing, color printer, ideal for up to 10 users.

Connect your way. Choose between Ethernet or self-healing, dual-band Wi-Fi that helps you to stay on-line.³

Ultimate productivity with MFP features

Scan both sides with a single pass. Dual-sided scanning allows your MFP users to get more done in less time.

No PC or driver required. Walk-up and print using a USB stick.

Expand your capacity

Tailor this printer to the needs of your business with an optional 550-sheet paper tray, and spend less time in loading paper with a 850-sheet maximum input capacity.

Seamless management

Set up and manage your Color LaserJet Pro from a single dashboard, onboard users, track toner.^{2,3}

HP Smart Admin

Centralize your print business. HP Smart Admin easily adds and updates devices, solutions, and policies.^{2,3}

Smart Admin Dashboard

Smart Admin makes it easy to manage your cloud-connected HP printers anywhere, through a single dashboard.^{2,3}

Self-heal Wi-Fi[®]

Avoid interruptions with Wi-Fi[®] that intelligently looks for the best connection to stay on-line.³

Cloud connection

Connect your printer fleet. Robust features and smart tools help your people do more, wherever work happens.³

HP Wolf Pro Security

Advance your security with the legendary HP Wolf Pro Security, instantly embedded and preconfigured out of the box.

HP WOLF SECURITY

Out-of-the-box ready

Get printer fleet security out of the box. Preconfigured settings mean it's ready when you are.

Secure setup

Validate before you operate. Secure setup uses boot code signature before powering on.

Optional PIN/pull printing

Add a layer of security. PIN/pull option authenticates your print jobs only when you're present.

HP Security Manager

Strengthen and simplify compliance. This upgrade applies your business policies across the fleet.⁹

Regular updates

Get ahead of potential security risks. Routine updates help you stay resilient against the latest threats.

HP Color LaserJet Pro MFP 4303 series

HP 210/220/230* A/X Black Original LaserJet Toner Cartridges with TerraJet

Produce high-quality business documents with crisp black text and professional-quality graphics.

Sustainable cartridge design

Redesigned Original HP TerraJet Cartridge for reduced plastic use and energy consumption when printing.^{4,5}

Innovative toner design

Next-generation high performance HP Toner.

Security you can trust

Secured cartridges for a more protected ecosystem.

Specially formulated low-melt HP TerraJet Toner is designed for low energy use. It uses an average of 27% less energy⁵ than with the previous generation HP Cartridges.

Optional high-yield cartridges save money and time, delivering more than three times more pages than standard cartridges.

Legal disclaimers

1. Smart app (Smart Pro): Requires HP app download available at www.hp.com/go/mobileprinting. Certain features are available in English language only, and may vary by printer model/country, and between desktop/mobile applications. HP reserves the right to introduce charges for use of functionality facilitated by the HP app. Internet access required and may not be available in all countries. HP account required for full functionality. Fax capabilities are for sending a fax only. List of supported operating systems available in app stores. See details at www.hpsmart.com.
2. Easy set up and manage - Requires use of Smart Admin Dashboard for printer setup and onboarding of users.
3. Internet access required and must be purchased separately. Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Supports both 5.0 GHz and 2.4 GHz using up to 12 non-overlapping channels vs. only 3 non-overlapping channels for 2.4 GHz only. Supports 5.0 GHz band (up to 150 mbps) v. 2.4 GHz band (up to 72.2 mbps). Learn more at: www.hp.com/go/mobileprinting
4. Plastic reduction calculated per page based on cartridge weight in grams and stated yield in HP TerraJet Cartridges compared to predecessors. See www.hp.com/TerraJetplasticreductions.
5. HP calculations based on Energy Star® normalized TEC data in HP TerraJet Cartridges compared to predecessors. See www.hp.com/TerraJetenergysaving.
6. Recycling - Program availability varies. Original HP cartridge return and recycling is currently available in more than 60 countries, territories and regions in Asia, Africa, Europe, and North and South America through the HP Planet Partners program. For details, see www.hp.com/recycle.
7. HP Auto-On/Auto-Off Technology capabilities subject to printer and settings; may require a firmware upgrade.
8. PPM Measured using ISO/IEC 24734, excludes first set of test documents. For more information see www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
9. HP JetAdvantage Security Manager must be purchased separately. To learn more, please visit hp.com/go/securitymanager.
10. Forest First: HP works collaboratively with our partners including WWF and Arbor Day Foundation to manage, restore, and protect forests in many countries around the world. With HP+, every print-regardless of paper brand-is addressed through HP's Forest Positive Framework to counteract risks of deforestation. HP brand paper is sourced only from certified responsibly managed forests or from recycled content. For other brands of paper, HP invests in forest restoration, protection or management projects in key regions sufficient to balance any paper used by HP+ customers that may not have been responsibly sourced. To learn more visit www.hp.com/forestfirst.
