The Onyx GO portable blender is ideal for those with a healthy and active lifestyle. It includes a sport lid that allows you to drink directly from the glass so you can prepare and drink your smoothie without needing an extra glass.

It is perfect for preparing your shakes wherever you are, as with its compact and portable design, you can take it with you anywhere and enjoy your favourite shakes and smoothies at any time of the day.

Thanks to its USB charging, you can easily charge it anywhere and with its 2 batteries, you can use it up to 20 times on a single charge.

In addition, this single blender has a 400 ml tritan cup (BPA-free) and 6 stainless steel blades, which allow you to blend all kinds of food. With the safety locking system, you can use the blender with complete peace of mind. It also has an automatic stop after 45 seconds, making it safe and easy to use.

Prepare healthy and energetic smoothies at the gym or in the office, or prepare purees for the little ones in the park, or wherever you want!
